WORLD HEALTH FORUM

Volume 12, 1991

World Health Organization, Geneva

Subject Index

(The subjects of WHO activities and recommendations, which appeared in the WHO Notes & News section of *World Health Forum,* are indexed separately on p. 4.)

accident prevention, on board ship, 203
advertising, tobacco, Sweden, 322
Africa, distribution of diabetes supplies, 447
health for all, 419
mental health care, 210
AIDS, prevention and control, national programmes, 297
Uganda, 302
alcoholic beverages, worldwide consumption, 99
alcoholism, community participation, India, 104
self-help, Seychelles, 205, 206
alveolar echinococcosis, prevention and control, 146
asbestos, 140
Australia, district health systems, 96

basic minimum needs, Somalia, 156
Bahrain, oral health care for schoolchildren, 204
Belgium, performance evaluation in well-baby clinics, 357
blindness, prevention, 78
Botswana, management of health systems, 90

cerebral malaria, paucity of data, 344
child health, nutritional status, Jamaica, 453
Thailand, 406
children, training as child carers, India, 451
China, health status, 151
chronic diseases, Inter-Health prevention programme, 285
"Clean Air", anti-tobacco programme, 336
community health guides or volunteers, *see* village health workers
community participation, alcoholism, India, 104
Malaysia, 43
Tanzania, 55
UK, 413

data collection, diarrhoeal disease, Nigeria, 472
Sudan, 466
dental services, Papua New Guinea and Thailand, 168
role of traditional healers, 443
development, basic minimum needs, Somalia, 156
diabetes supplies, distribution in Africa, 447
diarrhoeal disease, data collection, Nigeria, 472
Sudan, 466
diet, relation to chronic disease, Round Table, 251
disabled, attitudes of others, 87
rehabilitation, Zimbabwe, 325
disaster, flood in Turkey, 445
district health systems, Australia, 96
Tanzania, 483
Djibouti, epidemiological research, 63
doctor-patient relations, Indonesia, 345
obstetricians in USA, 207
Zimbabwe, 29
dracunculiasis, eradication from USSR, 217
eradication programme in Pakistan, 220
drug management, Ethiopia, 175
drug treatment compliance, Zimbabwe, 29

elderly, Singapore, 332
payment for medical care, 209
environment, effects on health, Round Table, 121
ethics for action, 311
epidemiological research, Djibouti, 63
essential drugs, management, Ethiopia, 175
policy in Mali, 34
policy in Zimbabwe, 25
ethics, guide for environmental action, 311
Ethiopia, drug management, 175
immunization coverage, 339

Finland, leadership in health care, 212
family health, competition, India, 74
demographic necessity, 347
Kenya, 75
financing of health services, 191
elderly, Singapore, 209
food safety, 403
UK, 400

Germany, suicidal poisoning, 208

health, definition, 440
health care, cost in Norway and Sweden, 428
health education, in schools, Lebanon, 452
waste disposal, Nigeria, 446
health for all, financing, 191
francophone Africa, 419
health status, assessment by index technique, 73
China, 151
relation to population growth, 347
health systems management, Botswana, 90
Papua New Guinea, 161
hospitals, patients' preferences, India, 344
self-referral, 38
human resources, productivity, 445

immunization, Ethiopia, 339
index technique, assessment of health status, 73
infant mortality, squatter settlements, Pakistan, 450
India, alcoholism, 104
assessment of neonatal mortality, 449
family health competition, 74
measurement of respiratory rate, 74
nutrition during pregnancy, 202
patients' preference for hospitals, 344
training children as child carers, 451
village health workers, 207
volunteer health workers, 341, 342
Indonesia, doctor-patient relations, 345
insulin, distribution in Africa, 447
Inter-Health, prevention of chronic diseases, 285
International nomenclature of diseases, 67
Italy, smoking during military service, 448

Jamaica, nutrition education for mothers, 453

Kenya, family planning, 75

leadership in health care, Finland, 212
Lebanon, health education in schools, 452

Malaysia, women in health development, 43
Mali, essential drugs policy, 34
management, health systems, Botswana, 90
Papua New Guinea, 161
maternal health, Round Table, 1
maternal mortality, Pakistan, 181
meat, place in a balanced diet, Round Table, 251
medical education, neurology in primary care, 360
U.S. students abroad, 49
mental health care, southern Africa, 210
midwifery, Round Table, 1

neonatal mortality, assessment, India, 449
neonatal tetanus, prevention and control, 289
neurology, medical education, 360
Nigeria, data collection on diarrhoeal disease, 472
financing health care, 423
health education for waste disposal, 446
Norway, cost of health care, 428
cost of welfare benefits, 476
health services for rape victims, 184
newspaper smoking control compaign, 77
nutrition, pregnant women, India, 202
nutrition education, Jamaica, 453
Thailand, 406

obstetricians, practice in USA, 207
oral health care, Papua New Guinea and Thailand, 168
role of traditional healers, 443
schoolchildren, Bahrain, 204
organ transplantation, 307

Pakistan, dracunculiasis eradication programme, 220
infant mortality in squatter settlements, 450
safe motherhood, 181
palliative care, terminal illness, Round Table, 375

Papua New Guinea, management of health systems, 161
oral health care, 168
patient flow analysis, refugee clinics, 479
performance evaluation, well-baby clinics, Belgium, 357
poisoning, suicidal, Germany, 208
population growth, relation to health status, 347
prevention and control, AIDS, national programmes, 297
Uganda, 302
alveolar echinococcosis, 146
blindness, 78
chronic diseases, Inter-Health, 285
chronic diseases, Round Table, 251
neonatal tetanus, 289
shipboard accidents, 203
primary health care, financing, Nigeria, 423
francophone Africa, 419
training workers, Tanzania, 55
primary health centres, alternatives to hospital, 38
public health associations, 433

quality of life, 202

Rajchman, Ludwik, 456
rape, health services for victims, Norway, 184
refugee clinics, patient flow analysis, 479
rehabilitation, disabled, Zimbabwe, 325
respiratory rate, measurement, India, 74
Round Tables: Dying with dignity, 375
Homo sapiens—a suicidal species?, 121
Meat—can we live without it?, 251
Safe motherhood: a challenge to midwifery practice, 1

safe motherhood, Pakistan, 181
Seychelles, Alcoholics Anonymous, 205, 206
Singapore, elderly, 332
payment for medical care, 209
smoking, during military service, Italy, 448
restrictions in taxi-cabs, 337
smoking control programmes, 70
European Commission, 336
Norway, 77
Somalia, basic minimum needs programme, 156
Sudan, data collection on diarrhoeal disease, 466
suicide, pesticide poisoning, Germany, 208
Sweden, cost of health care, 428
tobacco advertising, 322

Tanzania, district health systems, 483
training primary health workers, 55
taxis, smoke-free, 337
terminal illness, palliative care, Round Table, 375
terminology, *International nomenclature of diseases,* 67
Thailand, children's nutritional status, 406
oral health care, 168
tobacco, advertising, Sweden, 322
sale from vending machines, 201
tobacco dependence, 70
traditional healers, role in dental services, 443
training, children as child carers, India, 451
primary health workers, Tanzania, 55
transplantation, human organs, 307
Turkey, flood disaster, 445

Uganda, AIDS prevention and control, 302
UK, community participation in health, 413
food safety, 400
USA, medical students to Third World countries, 49
obstetric practice, 207
USSR, dracunculiasis eradication, 217

vaccination, humans and animals, 340
vaccines, funding, 336
village health workers, India, 207
volunteer ex-servicemen, India, 342
volunteers, India, 341

waste disposal, health education, Nigeria, 446
welfare benefits, Norway, 476
well-baby clinics, performance evaluation, Belgium, 357
women, participation in health development, Malaysia, 43
World Health Forum, praise, 338

Zimbabwe, drug treatment compliance, 29
essential drugs policy, 25
help for disabled, 325

acute respiratory infections, hospital management (WHO document), 374
World Health Assembly, 234
Africa, cholera, 363
new malaria strategy, 495
AIDS, collaboration with industry, 369
global projections, 242
transmission of HIV in health care setting, 370
World AIDS Day 1991, 242, 496
alcohol, preventing problems (WHO document), 373
Alma-Ata spirit, World Health Assembly, 233

"baby-friendly" hospitals, 367
biotechnology, food production, 243
breast-feeding, 367

cancer, examination of risk from hormonal contraceptives, 492
examination of risk from oral contraceptives, 117
cholera, 236
Africa, 363
end of vaccination certificates, 364
World Health Assembly, 234
computer programs, immunization programmes, 371
countries in greatest need, 113
Executive Board, 111

diarrhoea, use of drugs, 364
disease control, Executive Board, 111
dracunculiasis, World Health Assembly, 233
drugs, use in workplace, 495

Eastern Mediterranean, leadership development, 240
elderly, nursing care, 240
Entre nous, 119
Europe, diet, 366

food production, use of biotechnology, 243

head injuries, protective measures, 241
health care equipment, training courses on maintenance, 497
health care workers, risk of HIV transmission, 370
hormonal contraceptives, examination of cancer risk, 492

immunization, against influenza, 116
goal for children attained, 493
measles, 117
programmes, use of computer programs, 371
proposed record card, 493
industry, collaboration in AIDS control, 369
collaboration in trypanosomiasis treatment, 118
influenza, immunization, 116
International Federation of Gynaecology and Obstetrics (FIGO), 368

leadership development, Eastern Mediterranean, 240
leprosy, early diagnosis, 116
plans for elimination, 363
World Health Assembly, 233

maintenance, health care equipment, 497
malaria, new strategy for Africa, 495
maternal health, nongovernmental organizations, 368
measles, immunization, 117
WHO documents, 374
meat, European consumption, 366
media, promotion of WHO activities, 243
medical school updates, 244, 498

nuclear accidents, Executive Board, 111
World Health Assembly, 235
nursing, elderly, 240

oral contraceptives, examination of cancer risk, 117
organ transplantation, Executive Board, 111
World Health Assembly, 235

poliomyelitis, guidelines for preventing deformities and providing braces (WHO documents), 372
potatoes, European consumption, 366
primary health care, World Health Assembly, 232
programme budget, Executive Board, 110
World Health Assembly, 236

quality of life, 240

Safe Motherhood Programme (WHO documents), 374
Saitama Public Health Summit, 491
sexually transmitted diseases, 119
sleeping sickness, treatment, 118
smoking, Executive Board, 111
World Health Assembly, 234

traditional medicine, Executive Board, 112
trypanosomiasis, treatment, 118
tuberculosis, World Health Assembly, 234

urbanization, World Health Assembly Technical Discussions, 236

water and environmental sanitation, World Health Assembly, 235
WHO, media promotion, 243
WHO Executive Board, 87th session, 14–25 January 1991, 110
countries in greatest need, 111
disease control, 111
nuclear accidents, 111
organ transplantation, 111
programme budget, 110
smoking and travel, 111
traditional medicine, 112
women, health and development, 112
World AIDS Day 1991, 242, 496
World directory of medical schools, 244
World Health Assembly, 44th, 6–16 May 1991, 232
acute respiratory infections, 234
Alma-Ata spirit, 233
cholera, 234
dracunculiasis, 233
leprosy, 233
nuclear accidents, 235
organ transplantation, 235
primary health care, 232
programme budget, 236
smoking, 234
Technical Discussions, urbanization, 236
tuberculosis, 234
water and environmental sanitation, 235
women, health and development, 235
women, health and development, Executive Board, 112
World Health Assembly, 235
